DAY-BY-DAY ITINERARY

Day 1: Embarkation in Ushuaia

Board your luxury expedition ship in Ushuaia, the southernmost city in the world. After settling into your cabin, attend a welcome reception where you'll meet your expedition team and fellow travelers.

Safety briefing and ship orientation follows.

Day 2-3: Drake Passage Crossing

Cross the famous Drake Passage, one of the world's most legendary sea routes. As we journey south, attend fascinating lectures about Antarctic wildlife, history, and ecosystem from our expert naturalists.

Watch for albatross and petrels from the deck.

Day 4: First Antarctic Landing

Your first steps on the Antarctic continent! Make your inaugural Zodiac landing to observe penguin colonies and pristine landscapes. Witness the spectacular ice formations and take in the serene beauty of this untouched wilderness.

ANTARCTIC PENINSULA EXPLORATION

Day 5-6: Antarctic Peninsula

Explore the stunning Antarctic Peninsula with daily Zodiac excursions to different landing sites. Visit research stations, observe Adelie and Gentoo penguin rookeries, and watch for Weddell seals basking on ice floes. Weather permitting, we'll cruise through spectacular ice-filled bays.

Day 7-8: Wildlife Encounters

Search for humpback and minke whales as they feed in the nutrient-rich Antarctic waters. Visit emperor penguin colonies and observe their fascinating behaviors. Photograph the dramatic landscapes of towering icebergs and vast ice sheets.

Day 9: Deception Island

Visit this unique volcanic caldera and explore the remains of an old whaling station. Enjoy optional activities including kayaking through ice-filled waters or a polar plunge for the brave!

Optional Activities:

- â¢ Kayaking adventures - \$250
- â¢ Camping on ice - \$300
- â¢ Photography workshops - Included
